

**MAHOGANY**  
MEDICAL CLINIC

July 2022,

Dear valued patient,

I am writing to inform you that, due to an unforeseen circumstance, I have made the difficult decision to close my practice at Mahogany Medical Clinic **effective August 31, 2022**. My locum physician, Dr. MacDonell, is unable to continue her coverage beyond this date and I have been unable to find a replacement. I apologize for the inconvenience this may cause for you and your family. Sadly, this circumstance is beyond my control.

To ensure that there is an opportunity to review any bloodwork or investigations such as x-rays, etc. before Dr. MacDonell's last day (August 31, 2021), please have these completed as soon as possible. Both Dr. MacDonell and I are committed to providing continuity of care during this period of transition. If you have any prescription renewals or care needs prior to Dr. MacDonell's departure, please contact the clinic at 587-355-3300 to book an appointment as soon as possible.

Fortunately, there are family doctors in the Southeast that are accepting new patients. To locate them, please visit: <https://www.scpcn.ca/directory/> or <https://albertafindadoctor.ca/>. Alternately, the Member Service Agents at the College of Physicians & Surgeons of Alberta will be happy to assist you in this search; they can be reached at 1-800-561-3899.

A transfer of your patient records to a new physician can be arranged between Mahogany Medical Clinic and your new provider if needed. Please have your new physician send a request for records form to our fax number at 587-355-3301. There will be an administrative fee for chart transfers as per Mahogany Medical Clinic policies.

Should you have any questions or concerns, please do not hesitate to call and speak to our manager, Vishal Dodiya at 587-355-3300.

It has been one of my greatest pleasures caring for you and your family. Wishing you good health and all the best.

Sincerely,

Dr. Alicja Kennedy, MD, CCFP, MPH, HBSc.
